

THE CLAIRVIEW

The Clairview is a four bedroom, two bathroom home design that makes narrow lot living feel large. All minor bedrooms are located towards the front of the home, with the master bedroom in the centre, complete with a spacious walk-in robe and ensuite. The kitchen is located at the heart of the home and includes a feature island benchtop that looks onto the open-plan living and dining areas. This space also flows directly through to the outdoor alfresco, and the comfortable theatre tucked away at the rear of the home.
