

# THE DESTINY

The Destiny is a three bedroom, two bathroom rear-loaded home design. The sign of a well-designed home is the feeling of space that has been created, and The Destiny is a perfect example of this. The master suite is at the front of the home and includes a large dressing room and a beautiful ensuite. Each minor bedroom has a built-in robe and shares the second bathroom. The spacious open-plan kitchen, dining and living area is located at the rear of the home and flows out onto the alfresco.
