

# THE EDISON

There's no stone unturned when it comes to The Edison. Masterful and modern design is uniquely embodied in this clever 12.5m frontage home. A contemporary master suite positioned at the front of the home is complete with generous his and hers walk-in robes which flow into the functional ensuite. The kitchen is brimming with features, making it perfect for the home entertainer with its generous island bench, scullery and huge walk-in pantry. Complete with its own theatre room and alfresco area off the main living, everything has been thought of in this design.
