

THE GRANGE

The Grange is a four bedroom, two bathroom home design that has it all. The minor bedrooms are located at the front of the home, around a handy activity area. At the end of the entryway is the theatre room, and at the heart of the home, you will find the open-plan kitchen, living and dining area that also includes a convenient scullery. At the rear of the home, you reach the games room and the relaxing outdoor alfresco. Also located in this section of the home is the master bedroom, complete with a generous walk-in robe and ensuite.
