

THE LAGUNA

The Laguna is a three bedroom, two bathroom home design, perfectly designed for family living. From the thoughtful zoning of the minor bedrooms at the rear of the home to the handy IT nook and theatre room, it's an adaptable, multi-purpose layout designed to keep up with the changing demands of today's modern family. The spacious master suite is at the front of the home with an expansive walk-in robe and ensuite. At the centre of the home is the kitchen that flows directly onto the open-plan living and dining, which opens onto the outdoor alfresco.
