

THE LANGLEY

The Langley gives you the little luxuries you'd usually expect in a much bigger home. The long central hallway adds to the impressive feeling of this home that takes smart, practical design to the next level. This design includes a home theatre room that could double as a massive fourth bedroom, plus the minor bedrooms in their own central wing. The master suite is a private space towards the front of the home, complete with a walk-in-robe and private ensuite.
